

May 2015

As we approach the end of our council’s fiscal year, I want to first thank our membership for providing me with the opportunity to serve as President. I also want to thank those members that have gone above and beyond the call of duty by serving on the Board of TVEPC. As with any organization, it is essential that the membership has a representative voice on the Board, and great care has been taken to select Board members that represent our membership as a whole and are committed to the future of TVEPC. Without further ado, I present the proposed slate for the Board of Directors for TVEPC’s 2015/2016 fiscal year.
